Diocesan Parish School All

202.0 - Financial Reports

In order to facilitate comparability between like entities (i.e. Parish to Parish, High School to High School, etc.), standard report formats for the Statement of Financial Position and Statement of Activity have been created that each Diocesan entity is required to use in submitting reports to the Diocese. Formats for Parishes, High Schools and Agencies/Institutions are documented in the following policies:

202.2 – Financial Reports – High Schools and interparochial/consolidated Elementary Schools

202.3 – Financial Reports – Agencies & Institutions

202.4 – Financial Reports – Parishes – Accrual

Additional reports should be created based on the requirements of the Pastor, Principal, Director or Finance Council.
